**SIGN UP:** Participation in the graduation ceremony is optional. If you would like to participate, email us at <mailto:NewHopeAcademyGraduation@gmail.com> before November 1<sup>st</sup>. Include your desired payment option so we may invoice you correctly.

**COST:** The cost of the graduation ceremony is outlined in the Fee Table on our website under Resources and includes the following:

- Cap, gown, tassel
- Diploma cover
- 30 personalized invitations
- Graduation program and activities
- Building rental, sound expenses, etc.

*Please note: Seniors DO NOT receive their actual diploma that night. They receive the diploma and graduation packet upon completion of all graduation requirements. They may continue to work after the ceremony date to finish up and we will mail their packet after all requirements are met.*

**PARENT RESPONSIBILITIES:** Parents are not required to assist with the ceremony preparations.

Everything is planned and parents are free to enjoy the ceremony. You must, however, pay the fee on time and complete the Graduation Ceremony Information form, which will be sent to you in January. This form provides us with the information needed to order gowns, invitations, and produce the slide show that will be shown during graduation. Your timely response to this information request is needed and will be greatly appreciated. You will be notified when graduation supplies are ready to be picked up, about 4 weeks prior to the ceremony date. Please ensure your student arrives on time for both the practice and ceremony, and that they abide by the conduct code which will be emailed to participants. *Thank you for your attention to all these matters, and congratulations! Homeschooling your child(ren) to graduation, regardless of when you started the journey, is something to be celebrated. May God bless you and your child(ren) in the finishing of this one phase of life and moving on to the next.*
